

BY BOOKING TO STAY AT ISLEBEBYTHESEA, YOU ARE ACCEPTING THE CANCELLATION TERMS.

- Cancellation/No-Show Policy: As per your booking platform (eg, Booking.com, Air bnb etc..) These rules are different on different platforms. When you made your booking through the platform you chose, the cancellation policy was described, and we stick to it 100%.
- If you chose to book direct with us: We offer free cancellation until 30 days before arrival date. Direct bookings must be paid in full if you cancel your stay at IsleBebytheSea within 30 days of your arrival date, or if you fail to arrive. For any reason.

Our cancelation policies are quite standard and we need to stick to them. (By taking a booking, it is likely others have been turned away, and we are unlikely to fill a cancelled date at short notice.)

The reason we can keep our prices low is because we don't offer flexible bookings. Accommodation that offers flexible booking tends to be more expensive.

****Please let us know as soon as possible if you need to cancel your booking****

- In the event of cancellation by us, our liability shall be limited to the return of the monies paid for booking our hut.

Travel insurance is strongly recommended for your trip to the Islands!!

Sometimes our ferries and planes get weather bound or can't sail/fly due to technical issues.

Occasionally we are subject to long power cuts here in the Islands.

Or maybe you have to change your plans at short notice..

These things could leave you out of pocket..

As we have to stick to the cancellation policy for your booking, travel insurance could offer you peace of mind for the financial side of things.
